

Pattern created by Jenny Frame

Recycled sweater mitten instructions:

Shrink wool sweater (needs to be at least 60% wool) in washing machine using hot/cold cycle then dry on high heat.

Wool Mitten:

With the right sides of fabric together, cut out 2 of each pattern piece from wool.

With the right sides together match thumbs from piece 1 and 2.

Sew along thumb from notch to notch.

Flip sewn piece right side out.

With right sides together, pin piece 3 to sewn 1 and 2.

Sew edges together leaving the bottom unsewn.

Trim excess wool around edges as close to seam as possible.

Sew cuff around the bottom of the mitten.

Turn mitten right side out.

Fold cuff over mitten bottom.

Sew button on cuff.
